## **Hurricane Relief :20**

In the wake of a hurricane, everyone wants to help.

When donating goods, it's hard to know what's most needed.

Monetary donations are the most effective way to support those in need.

Aid workers can spend donations locally, to strengthen the community, provide items that are needed most and help save lives.

In the aftermath of a hurricane, monetary donations are the best way to make a big difference.

Donate today at [SupportHurricaneRelief.org](http://SupportHurricaneRelief.org).
