

## Total Access

There's Sales Training, and then there's **Proven RAB** Sales Training

For about the price of a cup of coffee a day, you can put every seller on your staff through RAB training, including those you have yet to hire! You pay a low one-time annual investment for access to all of our Academy Online training programs: Sales Foundations, the new Advanced Sales, and Selling Interactive Advertising.

Every person on your staff can take one, two, or all of the programs — it's up to you!

Thinking about hiring a new seller? You can get them off to the right start with Sales Foundations training before they hit the street to represent you.

Experienced sellers have hit a plateau? They need Advanced Sales!

Need the whole team to be up to speed on how to maximize your website revenue? We'll show them how with Selling Interactive Advertising.

You decide who goes through which program(s) within the course of the year.

Plus, you'll get 50 percent off your net enrollment cost on ANY multi-day RAB Academy in-person training session.

We know your training investment **MUST** produce results. RAB Academy Total Access Training will!
