

Joe D'Angelo
Senior Vice President
Broadcast Radio and Digital
Xperi

Joe D'Angelo is the senior vice president of broadcast radio and digital audio for Xperi. Based in Columbia, Maryland, he is responsible for the global broadcast radio business and product development.

Joe joined Xperi in 2015, by way of acquisition, as one of the founders of iBiquity Digital Corporation, the company behind HD Radio technology. Joe manages resources around the world committed to ensuring broadcast radio has a rich and vibrant offering in today's digital broadcast and connected world.
