## Pre-Contact Checklist

|           | Read their LinkedIn profile Review education, background, and experience.  |
|-----------|--|
|           | Subscribe to their Twitter/LinkedIn/Facebook feeds Favorite, and follow.   |
|           | Gather RAB Research Instant Backgrounds, Gold Digger & The Pitch, etc.   |
|           | Visit their company website review content. Subscribe to RSS feeds or blogs to stay current. Is there something happening inside the company? (a promotion a new product, a new initiative)? These kinds of triggering events are important to know about. They also serve as good reasons to contact your prospect or customer. |
|           | Visit competitors websites review content. Look for strengths, weaknesses, opportunities, and threats. How are they better/worse than your prospect?   |
|           | Sign up for Google alerts on the business. Track news on the most important businesses you're working with. Respond quickly with ideas and support as you are alerted.   |
|           | <b>Check the website of a trade association</b> for the categories you are calling<br>on. Nearly all categories have trade associations. These sites can provide valuable<br>information regarding the issues and trends affecting your prospects business. This<br>allows you to focus your discussion on their problems.       |
|           | <b>Find a trade magazine for your prospect's business</b> Read the cover stories. Read the publisher's column. Discover what their industry "problems" are. Learn the "experts" opinions as to how to solve those industry problems.   |
|           | Get to know people in the company besides your primary contact. Ask<br>salespeople about the business flow. Make friends with the receptionist or assistants.<br>Learn about company initiatives and directives.   |
| $\square$ | Read SEC Filings of public companies & non-profits. (10-k / I-990)   |

The documents contain wealth of information about the business; challenges, opportunities. They also provide insight on structure, financials, and objectives.
